Catholic Charities USA Applauds the Supreme Court's Decision to Allow DACA to Continue *Urges Congress to Pursue Permanent Legislative Solution*

Alexandria, Va. (June 18, 2020) – Catholic Charities USA (CCUSA) applauds the Supreme Court's decision that allows the Deferred Action for Childhood Arrivals (DACA) program to continue. While this is a positive step based on procedural concerns, it nonetheless reflects a fundamental humanitarian sensitivity to the plight of these young women and men who know no other home than our country. We strongly urge Congress to prioritize finding a permanent, bipartisan legislative solution to protect DACA recipients.

Catholic Charities agencies have served DACA recipients and their families throughout the program's existence. Catholic Charities will continue to work with all immigrants, migrants and refugees as we have for over 100 years.
