

2020 Services Overview

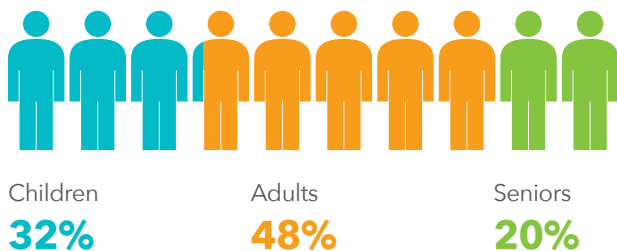

Our agencies served 13 million people

For 110 years, Catholic Charities has been a recognized name at the forefront of social services in America. Dedicated to the reduction of poverty, the Catholic Charities ministry serves and advocates for millions of individuals—regardless of their ethnicity, background or faith tradition—every year.

Catholic Charities USA is a national membership organization that provides advocacy, leadership, trainings, financial and other support to local Catholic Charities member agencies.
