FoodFinder Intro

What is FoodFinder?

The largest, most accurate source of information on food pantries and meal centers anywhere.

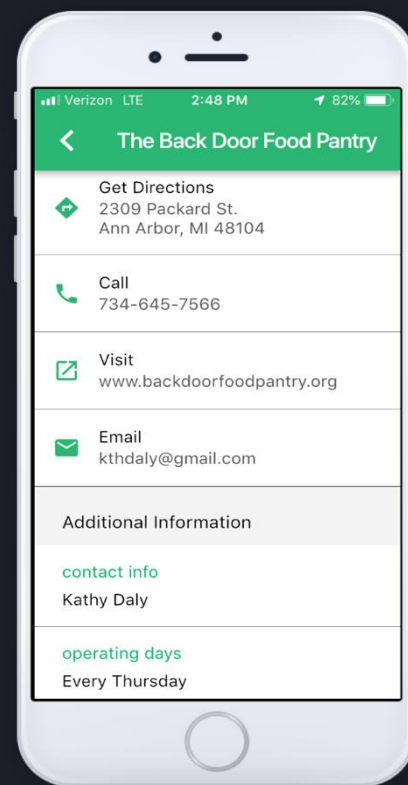

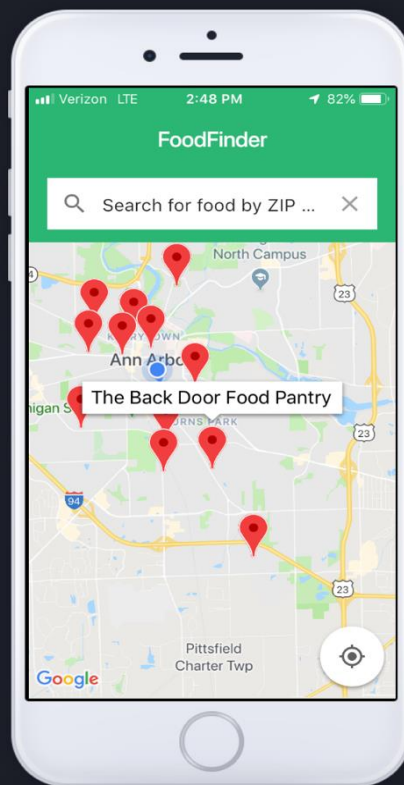

What do we do?

Use our website & mobile app to connect food insecure families across America to their nearest free food programs.

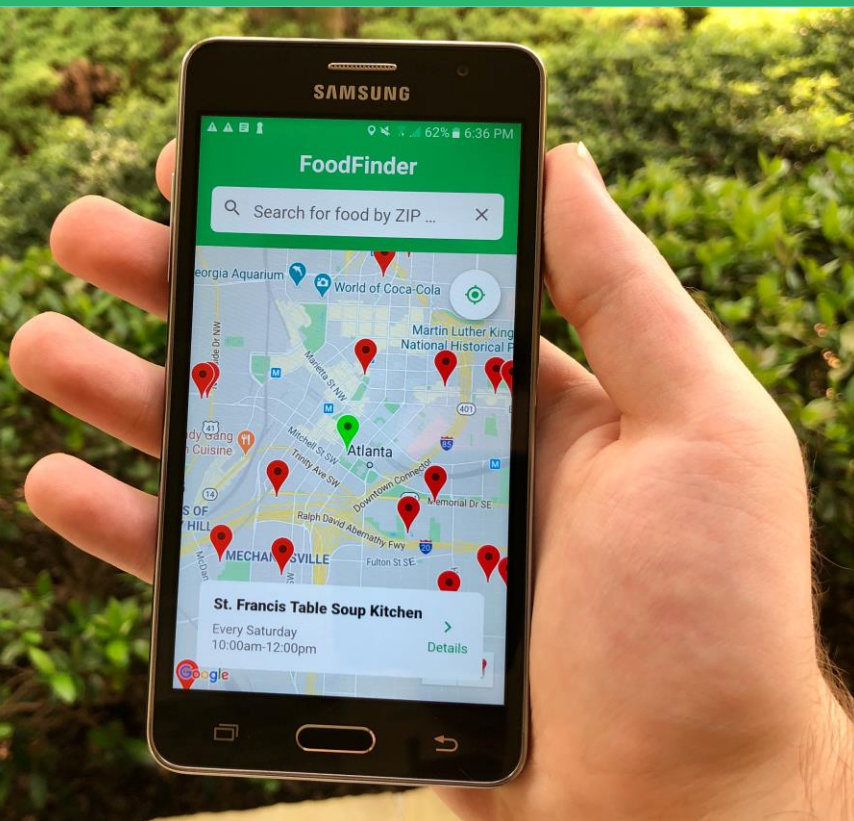

Our Platform

- 📍 Uses your current location to find the closest food pantries and free food programs
- 📍 Each food provider has up to 14 data fields like address, phone number, website, and hours of operation
- 📍 Both the website & app don't need a login and are ad-free

Coverage & Impact

By the Numbers

50,000+

food pantry listings nationwide

25,000+

school meal listings nationwide

350,000 people

served during the pandemic

App: "FoodFinder – Fighting Hunger" on iOS/Android

For Food Providers: Add or Update!

If you operate, volunteer at, or know of a food pantry / meal provider in your area...

- Add your food pantry's info directly to our database (if it isn't there yet)
- Update your food pantry's info using the "Suggest an Edit" button on your location's Details page (if it's already on FoodFinder)

Our #1 goal is to reliably and accurately connect people in need to the amazing assistance that your program offers!

ADD YOUR FOOD PANTRY TO FOODFINDER!

Go to foodfinder.us and click "Update/Add a Pantry"

Add your program's information and submit!*

*we might already include your program, but feel free to add any info we missed!

For Advocates of Hungry Families

If you're a teacher, counselor, social worker, nurse, or anyone who frequently works with low-income children & families...

- Let your peers know about FoodFinder if we can also be a resource for them / their clients
- Let your friends know on social media (@FoodFinderUS). The awareness helps a ton!

*We're here to help however we can
to address the needs of the families
you work with!*
