CCUSA Parish Social Ministry Leadership Team

Working to Reduce Poverty in America.

This webinar is hosted by Catholic Charities USA Parish Social Ministry Leadership Team.

The CCUSA Parish Social Ministry section is an association that provides networking opportunities, resources and skill development for parish social ministry professionals and volunteers at parishes, dioceses and Catholic Charities agencies.

The focus is on strengthening the capacity of the Catholic community to build a more just and compassionate society and to reduce poverty.

CCUSA PSM Leadership Team produces webinars (like this one), publishes newsletters and other printed resources, develops national trainings and workshops, and engages in consulting with fellow parish social ministers.

Opening Prayer

Catholic
Charities

Working to Reduce Poverty in America.

Merciful God,
we pray for families and individuals who have left or
fled their homes,
seeking safer and better lives.

We lift up to you their hopes, fears, and needs,
that they may be protected on their journeys,
their dignity and rights may be honored and upheld,
and they may be welcomed with open arms
into generous and compassionate communities.
Amen.

Catholic Teaching on Migration

Working to Reduce Poverty in America.

Five Guiding Principles:

- Persons have the right to find opportunities in their homeland.
- Persons have the right to migrate to support themselves and their families.
- Sovereign nations have the right to control their borders.
- Refugees and asylum seekers should be afforded protection.
- The human dignity and human rights of undocumented migrants should be respected.

Significance of Volunteers

1. **More than 64 million people in the U.S. volunteer today**, and the Corporation for National and Community Service noticed that this number continues to climb.
2. With this in mind, it's time to reflect how well our organizations are utilizing volunteers. **Are we really unlocking all of our opportunities?**

POWR Model #1: Parish Sponsorships

Working to Reduce Poverty in America.

Model implemented @ Catholic Charities in Chicago

In less than seven months, the local POWR program in Chicago established nine parish partnerships and obtained \$52,285 in monetary contributions (averaging \$5,809 per parish). Over the same period, we recruited 124 volunteers, who contributed a total of 5,675 volunteer hours. This amounts to an additional \$143,804 in leveraged support (averaging \$15,978 per parish).

POWR Model #2: Tutoring and ESL

Model implemented @ Catholic Charities in Louisville

You commit to a weekly two-hour visit with the family. You focus on English practice or cultural competency lessons. You meet with the caseworker first to talk about the family's needs. You meet with the family and interpreter to introduce yourselves. You submit monthly hours to the POWR volunteer manager. You refer any problems to the caseworker.

POWR Model #3: Family Mentoring

Working to Reduce Poverty in America.

Implemented @ Catholic Community Services in Anchorage

This POWR program developed a three-part volunteer manual.

Volunteers learn about resettlement to become **Family Mentors**. The second volume describes the duties of the **Warm Meals Committees**, which are in charge of providing warm meals or groceries for newly arrived refugees. The third volume covers the tasks of the **Transportation Committees**, which provide transportation to and from special events and doctor's appointments.

POWR Model #4: Refugee Ambassadors

Working to Reduce Poverty in America.

Implemented at Catholic Charities in Indianapolis, Indiana

In Indianapolis, Indiana, a partnership between POWR and Catholic High Schools is another example of POWR's energizing effects. Students serve as Refugee Ambassadors and receive service learning credits.

Program Goals:

- The “Refugee Ambassador Program” provides students with information on refugee resettlement and the rich traditions of each culture. In turn, the students act as liaisons for their high schools and home parishes.
- All generated donations are used to improve integration programs, i.e. language and job readiness training programs.

POWR Model #5: Raising Awareness

Implemented at Catholic Charities in Jacksonville, Florida

The local POWR developed a set of one-hour lesson plans for grades K-12 to promote students' awareness of violence and human rights abuses. Students are given time to reflect on their own lives as well as the holy family, and the plight of refugees. The goal is that students will learn to appreciate their own blessings, nourish their family lives and share their gifts with our brothers and sisters in need.

POWR's Positive Impact

Working to Reduce Poverty in America.

- Recruited **14,500** new volunteers.
- Formed **> 1,065** new **parish/community partnerships**.
- Created **new service and mentorship programs** tackling transportation, housing, jobs, food, language, legal and health care issues.

[The Parish Refugee Resettlement Ministry \(Manual\)](#)

This manual is intended to serve as a reference guide for diocesan resettlement office efforts to recruit, train, and manage parish involvement in the resettlement of refugees. It also includes resources and information that the diocesan staff can *share* with leaders at the parish level as the parish leaders seek to establish their programs, recruit and train additional parish volunteers, and help the resettlement ministry become an integral part of parish life. As such, programs can very much use a “train-the-trainer” approach with the resources in this manual. *United States Conference of Catholic Bishops, 2017.*

[The Parishes Organized to Welcome Refugees \(POWR\) Program from A to Z](#)

This resource guide covers promising practices, activities and learning materials developed with POWR program support. The USCCB/MRS launched the Parishes Organized to Welcome Refugees program to intensify volunteer involvement in resettlement, at the parish level.

Immigration and Refugee Services Community of Practice

Working to Reduce Poverty in America.

Under its **Immigration and Refugee Services strategic priority**, CCUSA strives to develop increased capacity to welcome and successfully integrate immigrants and refugees in the United States, offering them hope and new life opportunities in the process.

The **Immigration and Refugee Services Community of Practice (CoP)** comprises all CCUSA member agency staff and volunteers who work with immigrants and refugees in any way. A variety of resources, webinars, workshops, and advocacy and networking opportunities are made available to the CoP at no cost.

Closing Prayer

Catholic

Working to Reduce Poverty in America.

LET US SHARE THE JOURNEY

Adonai, Lord and Master,
Many are the journeys your people have taken:
Abraham's journey led from fear to understanding;
Moses' journey led from bondage to liberty;
the disciples' journey led from death to new life.

Even today, your people journey—
immigrants and refugees, pilgrims and nomads,
searching for hope,
searching for opportunity,
searching for you.

Lord, I know that I too am called to journey.
Continue to call me beyond my comfort and
into encounter.

And when I meet a companion on the road,
may we find you in each other's embrace.
Let us share the journey.

Amen
