INVESTMENT OPTIONS

You may recommend that your contribution be allocated among the DAF's separate investment funds ("Investment Funds"), each of which is professionally managed according to different investment objectives. The Investment Funds consist solely of CCUSA DAF assets. The Investment Funds invest their assets in registered investment companies to meet their investment objectives. The CCUSA DAF will maintain a subaccount ("Donor Account") that will reflect your contribution to the DAF, your Donor Account's share of investment returns and grant activity. You will receive a Donor Account statement quarterly. Currently, the CCUSA DAF offers investments in the funds listed below. Each fund meets the requirements set by the United States Conference of Catholic Bishops for socially responsible investing ("SRI") consistent with Catholic Social Teaching. You will have the ability to design your own investment strategy for the assets in your DAF account by allocating amounts across the following funds:

SRI Investment Fund	Objective	Percentage Total
<input type="checkbox"/> Cash Management Fund	Appropriate for donors with minimal risk tolerance who seek to preserve capital.	%
<input type="checkbox"/> Income Fund	Appropriate for donors who are generally risk averse, yet are willing to accept some degree of risk to achieve low to moderate appreciation potential.	%
<input type="checkbox"/> Income and Growth Fund	Appropriate for donors who are seeking a total return, including both income and capital appreciation, and are willing to accept a moderate degree of volatility in their returns.	%
<input type="checkbox"/> Growth Fund	Appropriate for donors seeking long-term growth. Donors who select this fund should be willing to accept a high degree of volatility in their returns.	%
	Combined Total Must Equal	100%
