Dear Honorable Members:

I am writing to express my sincere gratitude for your bipartisan efforts in passing the **Trafficking Survivors Relief Act (H.R. 4323)** following my letter to you on September 9, 2025. This legislation will lift some of the barriers survivors encounter when seeking support services, such as safe housing, food assistance, education, and counseling, as they try to recover and rebuild their lives. Your leadership and commitment to protecting those most at risk exemplify the highest ideals of public service and compassion.

By advancing this legislation, you have prioritized the needs of thousands of children and vulnerable adults across this country who are often victims of labor and sex trafficking. Your decisive action sends a clear message: these individuals are made in God's image and possess inherent dignity, and their well-being is of utmost importance and deserves proactive measures in policymaking.

The Catholic Charities network will continue to accompany survivors in their recovery and looks forward to working closely with you to ensure the successful implementation of the bill once it is signed by the President.

With deep appreciation,

A handwritten signature in blue ink that reads "Kerry Alys Robinson".
